AMENDMENT UNDER RULE 1.312

Sir:

In response to the Examiner's Amendment mailed on March 29, 2004, please make the following amendments in the above application.

In the Drawings:

Formal drawings were mailed with the amendment dated June 26, 2003 and corrected formal drawings were mailed on August 27, 2003. Accordingly, it is believed that proper formal drawings have been submitted. The box on line 6 of the Supplemental Notice of Allowability mailed on March 29, 2004 indicates corrected drawings are still required. Reconsideration and withdrawal of this requirement is requested, since such drawings have already been supplied.
